All mentors informed to do following work for the improvement of students.

- 1) Make whats-App group of allotted students.
- 2) Some students are absents in the online classes contact them and find reason and motivate them to attend the classes.
- 3) Call parents meeting.
- 4) Find slow learners and fast learners.
- 5) Motivate the slow learners to join remedial classes.
- 6) Motivate the advanced learners to use internet facility, E- library as well as competitive classes.
