Dr. Anita K. Randhir, Head of the Department of Commerce, delivered formal welcome address and welcomed all the participants. Dr. R. R. Kherani during his speech, expressed his views on the need of understanding the Intellectual Property Rights.

Technical Session :

The **technical session** started soon after the brief inaugural function. In the beginning, the speaker Dr. M.M. Betkar was formally introduced by **Dr. Anita K. Randhir**, Head Dept. of Commerce**. Dr. M.M. Betkar** with the help of power point presentation explained the topic extensively. His lecture started with an introduction to Intellectual Property Laws and spanned across the different disciplines related to IPR. He pointed out that IPR is no more confined to the legal fraternity, but has spread across all disciplines because of which it has an impact and significance on arts, science, commerce, management and business. Patents copyright and trademarks have great significance not only in the uplifting the knowledge economy but also in fine-tuning it IPR were created to promote innovation and to encourage creators. Intellectual Property Right are not just patents, they are concept related to the creation of industrial ideas. In addition, the main purpose of this law is to encourage the creation of different types of intellectual property. Therefore, it is important to know which items for daily use can be patented and which items cannot be patented. He hoped that every Indian citizen would be aware of the IPR. In the Presendential speech stated by **Dr. S.M.Warkad,** Principal, Shree Shivaji College, Rajura, spoke on the importance of IPR in today's time and hoped that the webinar will be fruitful for all the participnts.

Technical session was followed by vote of thanks. **Prof. B.K.Dhongade** proposed vote of thanks for webinar and **Dr. Sanjay Latelwar** conducted this webinar. Technical support by **Prof. Suvarna Nalge and Prof. Vitthal Atram**. The feedback link of the program was shared with the participants. On the basis of registration, participation and

feedback given, certificates were prepared using Certify EM application and the certificates were mailed to the concerned participants.

The Webinar was highly informative to students, teachers and research scholars. Teachers and students from other departments, colleges, universities from different parts of India participated in the webinar. Thus webinar provided valuable awareness and insights on the various aspects of IPR.
