

PROGRAMME REPORT

WEBINAR ON "DECODING BRIGHTER FUTURE OPPORTUNITIES AFTER GRADUATION IN CHEMICAL SCIENCES"

Date: - 13th April 2022

Registration Link: - <https://forms.gle/CJpgnmKvam5vkrqPA>

Google meet Link: - <https://meet.google.com/wii-ikvi-qqz>

Webinar on " Decoding brighter future opportunities after graduation in chemical science " was organized by the department of chemistry, Shree Shivaji Arts, Commerce & Science college Rajura District Chandrapur on 13th April 2022

Objectives: -

- To make the students to know various competitive examinations for post-graduation in chemical sciences like IIT, Central Universities, Centrally Funded Institutions & IISERS
- To share the information regarding career opportunities in studying the chemistry
- To give the knowledge of funding agencies for PG, Integrated Ph.D in foreign universities

Registration: - Since the event was organized in online mode on virtual platform, the student participants registered by Google form link. The link was shared to various student groups of B.Sc. Sem II, Sem IV and Sem VI. Total 206 students registered for the event

Programme schedule: -

3:30 to 4:00 pm - Joining of the students

4:00 to 4:10 pm - welcome address by Prof. V. K. Shambharkar - Head of the department of chemistry

4:10 to 5:30 pm - Technical session by Guest speaker Mr. Rajiv Abhyankar, IFSA Pune

5:30 to 5:45 pm - query session

Proceedings: - As per the schedule students were asked to join the meeting through the link <https://meet.google.com/wii-ikvi-qqz>

After joining, Resource person all the participants were welcomed by head of the department of chemistry Prof. V. K. Shambharkar in his welcome address

Technical session: -

The technical session started after the welcome speech. The resource person was introduced in the welcome speech. Resource person Mr. Rajiv Abhyankar, eminent speaker and counsellor of IFSA Pune delivered his talk on the topic of webinar. He gave information about various competitive examinations like IIT JAM,

CUCET, schedule of these examinations, examination conducting agencies, paper pattern & cut off. He also suggested some reference books for cracking these examinations.

He also shared the information about TOEFL, paper pattern, reading material & schedule of these examinations for the post graduate studies in foreign universities. During his talk he explained the functioning of funding agencies of Central government and state government to support the students seeking the admission in Abroad. He also discussed various career opportunities after graduation and post-graduation in chemical science.

Soon after this session, query session was started, many student participants asked many questions regarding IISC Bangalore, IISERS, IIT JAM, foreign universities, funding agencies and reference books. Vote of thanks was proposed by Prof. V. K. Shambharkar Head of the department of chemistry.
