PROGRAM REPORT

WEBINAR ON ADVANCED TOOLS IN ONLINE TEACHING USING INNOVATIVE TECHNOLOGY

Date: 9 June 2020

Platform: Google Meet

IQAC organized a training program on Advanced Tools in Online Teaching Using Innovative Technology on 9 June 2020 in online mode on Google meet platform. This training program was for all the teaching and non-teaching staff of the college.

Objectives of Workshop:

- To familiarize with innovative softwares and applications
- To enhance technological knowhow for effective delivery of classes

Notice to faculties about training

IQAC issued a notice in order to inform the faculties about training to be organized on 9 June 2020 so that all the faculties can avail the opportunity and update their knowledge and skills.

Program Schedule

11.30: Oral welcome of all faculties

11.35: Session by Mr. Baviskar

12.35: Q & A session

12.45: Presidential remarks by Dr. S. M. Warkad

12.55: Vote of thanks by Dr. B. M. Reddy

Details of the Workshop:

This workshop was organized in order to train the faculties for the application of Masters Software for effective delivery of lectures and circulation of assignment and reading materials to students and make the online classes effective and interesting. As the pandemic situation was ongoing, necessity of online classes was strongly felt and hence this workshop was organized. The staff members joined the program by using following Google Meet.

Session 1: Application of Masters Software

Mr Baviskar guided the faculties and staff on how Master Software can be handled for academic purpose. He guided on the various features of the software and how it can be used for keeping record of students, provision of assignments, evaluation of unit tests etc. At the

end of the session, Q & A session was conducted during which various participants' doubts about applicability of the software were resolved by Mr Baviskar and his team members.

The technical presentation was followed by presidential address by prinicipal Dr. S. M. Warkad. Dr. Warkad presented his views on merits of the software and appealed the staff to learn it for academic betterment. Vote of thanks was proposed by Dr. B. M. Reddy**.**

In all 44 faculties from junior and senior wing attended the workshop. The principal Dr. S. M. Warkad, vice principal Dr R. R. Kherani and IQAC members were present during the workshop.
